

Recycling Made Easy

What can I put in my **BLUE** cart?

Guide to Curbside Recycling

It's Easy!

1. All City of Natchitoches Utility customers receive a 64-gallon, **BLUE** recycling cart.
2. Put all recyclable materials into the **BLUE** cart.
3. Your **GREEN** garbage can, your **BLUE** recyclable can and your curbside waste will all be serviced once a week on the same day.

Pick-Up Schedule

Your collection day for recyclables is the same day as your regular trash collection.

Back Door Service

Ward's Waste Services will continue to provide back door service for regular trash and recyclables.

Just Remember:

- Do not overfill the carts (Flatten all cardboard boxes so the lid closes securely.)
- Do not use plastic or paper bags to separate your recyclables.
- Recyclable materials placed outside the cart will not be collected.
